

WELCOME 7LCL

Dear students,

Hello! My name is Mrs Colwell and I am so happy to have been asked to be your progress tutor in September. I have been a teacher of geography for 16 years and am also the head of travel and tourism. My other roles within the school involve me coordinating E-learning and E-safety through the curriculum.

As I am a geography teacher I love to learn about the world around me. I am hoping in form time that we can have some great discussions about what's going on in our wonderfully wide world and I would love to hear your views and opinions. Outside of school, my other interests include gardening, making crafts and sports. I also secretly collect stationery and get very excited about a

new pen or the shiny new pencil cases I see in September. At weekends I spend most of my time on the sidelines as a fully-fledged football mom!

Recently we have all had a lot of time to think about what it will be like when everything goes back to normal. I'm sure you have been wondering what secondary school will be like and what new friends you will make. Starting secondary school is a very exciting time, as well as being a bit of a worrying one for some of you. As your progress tutor, it is my responsibility to ensure that you settle into school life without any worries or concerns. I want you to be reassured that we are here to help in order to make your transition into our academy a positive experience. I am excited to be your progress tutor and will be really happy to meet each one of you properly on that first day in September and to check out that new stationery. In the meantime, look after yourselves and I very much look forward to seeing you soon.

Kind regards,
Mrs Colwell
