

WELCOME 7RDS

Dear students,

It is lovely to introduce myself to you. My name is Miss Dass and I teach mathematics (the best subject). I have been at Forge for a little over one year now and I absolutely love the school. I am very excited to meet you all and learn more about you but until then, I will tell you a little bit about me.

I love food. My favourite type of food is Chinese food, yum! I love being outdoors and I love to travel to different countries too.

I have been to many different countries. A few of these are Thailand, Cambodia, Vietnam, Indonesia and the USA. I have been scuba diving, dolphin spotting, wakeboarding and zip lining. Also in Thailand, I looked after two adult elephants and a baby elephant for a day.

I am really looking forward to meeting you all very soon. I would like you to know that I am here to help you during your transition from primary to secondary and here at Forge we will make sure that we support you as much as you need during this time.

See you all very soon,
Miss Dass
