

ENRICHMENT APPLICATION FORM

Enrichment refers to all the activities, additional courses and opportunities our sixth form students can get involved in beyond their A level and BTEC courses. At Forge enrichment is a big part of sixth form life and we offer a range of additional qualifications and activities you can complete alongside your A levels and BTECs. They are designed to develop you as an individual and prepare you for life after sixth form.

Core Enrichment Qualifications (compulsory)

Please select **one** of the following, which all lead to the awarding of a qualification.

Diploma in Financial Studies	
Core Maths	
Extended Project Qualification	
Certificate of Personal Effectiveness	
Football Scholarship (including a FA sports coaching qualification)	
Weekly work placement in a health care setting (for health and social care students only)	

Duke of Edinburgh Award (optional)

In addition to the enrichment qualifications listed above, every sixth form student has the opportunity to undertake the Duke of Edinburgh Award. Students who have already completed an award are able to work towards a higher level award and students new to the scheme are able to work towards at least a bronze award.

Please indicate below if you would like to complete a Duke of Edinburgh Award.

Duke of Edinburgh Award	
-------------------------	--

Additional non-qualification enrichment (compulsory)

Please select **one** of the following non-qualification enrichments.

In addition to enrichment qualifications, every sixth form student at Forge has the opportunity to get involved in a range of non-qualification activities designed to build confidence, leadership qualities, make a difference in the local community and become role models for all younger students in the Academy.

Debate club	
Work as a volunteer in the local community	
Work as a volunteer in a local hospital	
Support students in a local primary school with their literacy	
Support students in a local primary school with their numeracy	
Become a peer reader and support younger students in the Academy with their reading	
Become a peer mentor for younger students in the Academy	
Work as a classroom support assistant during 1 period a week in a subject of your choice
