

ENRICHMENT APPLICATION FORM

Enrichment refers to all the activities, additional courses and opportunities our sixth form students can get involved in beyond their A level and BTEC courses. At Forge enrichment is a big part of sixth form life and we offer a range of additional qualifications and activities you can complete alongside your A levels and BTECs. They are designed to develop you as an individual and prepare you for life after sixth form.

Core Enrichment Qualifications

(compulsory) Please select one of the following, which all lead to the awarding of a qualification.

Diploma in Financial Studies	
Core Maths	
Extended Project Qualification	
Certificate of Personal Effectiveness	
Football Programme (including a FA sports coaching qualification)	
Weekly work placement in a health care setting (for health and social care students only)	

Enrichments in the local community (optional)

Work as a volunteer in the local community	
Work as a volunteer in a local hospital	
Support students in a local primary school with their literacy	
Support students in a local primary school with their numeracy	

Additional awards / non-qualification

enrichments Please select one of the following non-qualification enrichments.

In addition to enrichment qualifications, every sixth form student at Forge has the opportunity to get involved in a range of non-qualification activities designed to build confidence, leadership qualities, make a difference in the local community and become role models for all younger students in the Academy.

Form period enrichments (compulsory) Please select one the following non-qualification enrichments, which take place during one form period each week

Become a peer reader and support younger students in the Academy with their reading	
Become a numeracy leader and support younger students in the Academy with their numeracy	
Become a student leader and support a Y7-11 form tutor with their form group	

Timetabled enrichments (compulsory) Please select one of the following awards / non-qualification enrichments, each of which are timetabled during one period each week
