

Enrichment

Name:

Form Group:

Enrichment refers to the activities, additional courses and opportunities our sixth form students can get involved in beyond their A level and BTEC subjects. At Forge enrichment is a big part of sixth form life and we offer a range of additional qualifications and activities you can complete alongside your A levels and BTECs. They are designed to develop you as an individual and prepare you for life after sixth form.

1. Study Skills: All students in sixth form complete the VESPA programme to help develop and improve study skills

VESPA

2. Core Enrichment Qualifications (compulsory):

Please select one of the following, which all lead to the awarding of a qualification.

Core Maths	
Extended Project Qualification	
Certificate of Personal Effectiveness	
AS level Business	
Football Programme (including a Football Association Sports Coaching Qualification)	
Weekly work placement in a health care setting (for students completing the Extended Diploma in Health and Social Care only)	

3. Form time enrichments (compulsory): Please select one of the following enrichments, which take place during one form period each week .

Become a peer reader and support younger students in the Academy with their reading	
Become a numeracy leader and support younger students in the Academy with their numeracy	
Become a student leader and support a Y7-11 form tutor with their form group	

4. Timetabled enrichments (optional): Please indicate if would like to undertake one, or both, of the following enrichments. These will be built into your timetable if you select them.

Duke of Edinburgh's Award: work towards completion of the bronze award or work towards a higher award if you have already secured the bronze award.	
Become a peer mentor for younger students in the Academy	

5. Enrichments in the local community (optional): Please indicate if would like to undertake any of the following enrichments.

Work as a volunteer in the local community	
Work as a volunteer in a local hospital
