

Year 9 Options – Combined Science

Name: _____ Form: _____

What does 'Combined Science' mean?

You will receive **4 lessons of science per week** and will still study Biology, Chemistry and Physics.

You will receive 2 GCSE grades for science, that will reflect your performance across all 3 sciences.

You will receive 3 further options. **You CANNOT choose the same subject twice.**

Students are not permitted to choose: GCSE Art, Craft and Design and GCSE Art and Design Textiles.

All students will study for GCSEs in **English Language, English Literature, Mathematics** alongside statutory lessons in **PSHE, Philosophy, Religion and Ethics (PRE)** and **PE**.

Select One from Block 1
